

Dear J.D. Lambright,

The Montgomery County Law Enforcement Association is proud to announce its endorsement for the Republican candidate for Montgomery County Attorney. The Montgomery County Law Enforcement Association had two important criteria that a candidate needed to meet to receive this endorsement. The first was a candidate that would produce effective and measurable change for the citizens of this county. The second was a candidate that would cultivate a positive relationship with all law enforcement in Montgomery County.

The Board of Directors of the Montgomery County Law Enforcement Association met with you and is confident that you will continue to produce effective change for the citizens of Montgomery County. The Montgomery County Law Enforcement Association therefore endorses you, J.D. Lambright, as the Republican Candidate for Montgomery County Attorney.

With thanks for your continued commitment to Montgomery County,
